See His love nailed onto a cross

Perfect and blameless life given as sacrifice

Broken yet glorious, all for the sake of us

This is Jesus in His glory

King of Heaven dying for me

It is finished, He has done it

Death is beaten, Heaven beckons me

Greater love now one could ever show

Mercy so undeserved, freedom I should not know

All my sin, all of my hidden shame

Died with Him on the cross, eternity won for us

Such love, such love
