CAPO:4

Verse:
```
F                   F                  Bb         C
lookin  for a grave stone; that says: Harley an  Rashell
        F                F          Bb            C
but the people don t yet know; and so they sit in Hell
```

Chorus:********** _____
```
       Dm   C     F      G
I feel most home, when I am alone
       Dm       C     F    G
-walkin  in tha Chico Cemetary[symetry?]
       Dm   C     F      G
nobody know, and nobody goes
       Dm       C     F     G
-walkin  in tha Chico Cemetary[symetry?]
```
_____

Verse 2:
```
F                    F               Bb         C
lookin  for a grave stone; that says: Brian AND Ashley
   F                   F              Bb              C
ben th a weepin  willow tree; but the people just can t see, so
```
[chorus]

Verse 3:
```
F                   F            Bb           C
lookin  for a grave stone; for my past, Sarah Anne
          F                 F                Bb              C
and these nights are startin get cold, how I wanna hold your hand
```

Bridge:
```
Bb                  Bb
Cohasset Road turns into Main-Grove
    F               G
and there I know I m safe
      Bb              Bb
in the darkest place I see the most light
            F                G
and I won t walk across your grave[not safe,no]
```
