Never Say You Cant
Bruno Mars

```
F        C     Dm     Bb
Ooooooh ooh oh ooooh  oh

    F                     C
When I was just a little boy
                          Dm
barely stong enough to stand
                       Bb   F
I can always count on him oh
F                         C
he taught me everything I know
                      Dm
and till this day it shows
                       Bb
he was more than just a friend
Bridge:
Dm                                  C
There was so many times I would doubt myself
Dm                                  C
but his words were always there to help
Refrain:
  F
I wouldnÂ´t be
   C
where I am
Dm
if my father didnÂ´t tell me
Bb
to never say I canÂ´t
F
heÂ´d carry me
C
and never let me fall
Dm
oh and the only thing he asked
Bb
right before he passed
         F
itÂ´s to never say you canÂ´t
C                    Dm
oh never say you canÂ´t
Bb
ohhh
.....
