Full Moon, Empty Heart

Sleepin now, now... sleepin now, now, now...[E,A,A,E]
It s still night out, sleepin
Don t look at me looking back at you
Out the window backwards, out the window backwards[A,E,A,E]
Sleep----------uh hoo uh hoo[E,A,A,E]

See this child twice stolen from me
Out the window backwards, out the window backwards[A,E,A,E]
Sleepin now, now... sleepin now, now, now
Sleep----------now

Now fall to the bed, put your hand in your hair[D,A,E,A]
Now fall to the tile, stick your finger in your eye[D,A,E,A]
That s the only way you cry
Now, now...[**E**,**B**,**F#**]

Full moon past the window sideways hey now hey now
Sleepin now, now [out the window backwards][A,E]
Sleepin now, now [out the window backwards]
Sleepin now, now [out the window backwards]
Sleep, sleep, sleep, uh hoo uh hoo, etc.
