```
a------7---5--------------------
E----------------7----5---3--3-     -> Gm

G                   C
     I oughta be workin
D                     G
     But I can t concentrate
  G                    C
      I oughta be sleepin
     D                      G
      Steada stayin  up late
  G                           C                                D             G
      When I oughta be doing all the things I should do
      C
      I think about you

              Guitar II                   a------7---5--------------------
                                               E----------------7----5---3--3-
G                    C
   I oughta be writin
D                           G
   But I can t find the song
G                          C
   Just sittin  here driftin
  D              G
   Driftin  along
 G                C            D                  G
   There s only one thing that I wanna do
   C
    And that s think about you

   CHORUS
 D                         G                C
    I think about you - I can t get no rest
 D                         G                 C
    I think about you - there ain t no one else
D                          G                 C
    It s all I can do - I can t help myself
  C
   Ya - I think about you

PASSAGEM: G C D G
```

```
G                     C
    I could go cruisin
D                      G
    But I ve had enough
G                      C
    I could go drinkin
D                         G
    But I can t stand the stuff

G            C              D         G
 It just don t do me like it used to do
    C
 I d rather think about you
