Memories Are Made Of This
Johnny Cash

```
D        A7               D   A7
Take one fresh and tender kiss
D    A7              D     A7
Add another night of bliss
    G        D        A7         D
One girl one boy some grief some joy
A7                   D    A7
Memories are made of this

Dont forget a small moonbeam
Fold in lightly with a dream
Your lips and mine two sips of wine
Memories are made of this

G
Then add the weddin bells
D                           A7
One house where lovers dwell
                           D     D7
Three little kids for the flavor
G
Stir carefully through the days
D
See how the flavor stays
      E       E7              A A7
These are the dreams you will savor

With his blessings from above
Serve it generously with love
One man one wife one love through life
Memories are made of this

D7   A7              D
Memories are made of this
