Bryan Ferry

```
    G#
And now the marriage vow is very sacred

The man has put us together now
                              C#
You ought to make it stick together
                              G#      G#sus  G#
Come on, come on and stick together
             Eb              Eb7                G#     Eb
You know we made a vow to leave one another never

But now you never miss your water till your well is dry
Come on now baby give our love a try
Let s stick together, c mon c mon let s stick together
You know we made a vow to leave one another never

Then if you re stuck for a while consider our child
How can it be happy without its ma and pa
Let s stick together, c mon c mon let s stick together
You know we made a vow to leave one another never
