What I'm Becoming
Cage the Elephant

[Intro] **Bm Em Bm Em**

[Primeira Parte]

```
Bm                                Em                      Bm
  Slowly drift across the floor,  can t escape from my mind
                        Em                            Bm
Yet I feel like moving on, but I am stuck taking my time
            Em                      Bm
A window, a sparrow, a spare room, a shadow
            Em
Tied to the place where I told you
```

[Refrão]

```
G7M                       Em
   I m so sorry, honey, for what I m becoming
G7M                     Em
   Everything you wanted   seems so far from me
G7M                      Em                           G7M
  Never meant to hurt you, no, never meant to make you cry
                    Em
I m so sorry, honey,  for what I m becoming
```

(**Bm Em Bm Em**)

[Segunda Parte]

```
Bm                                Em
  Caught me walkin  through the walls, still there s nothing I find
Bm                            Em                      Bm
  Took the picture from the frame, am I wasting my time?
             Em                        Bm
A stranger, the basement, a table, the pavement
            Em
Tied to the place where I left you
```

[Refrão]

```
G7M                       Em
   I m so sorry, honey, for what I m becoming

G7M                      Em                           G7M
