The Road
Best Coast

Intro: **C**, **C#**, **C**, **C#**, **G#**

C **C#**
I remember when I was younger

C **C#** **G#**
I used to sit around and think about you

C **C#**
And though I m older I still wonder

C **C#** **G#**
Where you are and do you think about me

C# **G#**
Though the road has changed

C# **G#**
We are still the same

C# **C** **F**
I wish we could make it work

C# **G#** **C#**
But you re already gone

G#, **C#** x4

C **C#**
Do you remember when you told me

C **C#** **G#**
That you would love me forever

C **C#**
So how come now when I see you

C **C#** **G#**
You act like you don t even know me

C# **G#**
Though the road has changed

C# **G#**
We are still the same

C# **C** **F**
I wish we could make it work

C# **G#** **C#**
But you re already gone

G# **C#**
Already gone

G# **C#**
Already gone

G# **C#**
Already gone

G# **C#**
Already gone

G# **C#**
Already gone

G# **C#**
Already gone

G# **C#**
Already gone

G#
Already gone
