Kings of Convenience - 24-25

```
C              D
She ll be gone soon You can
 G               C
have me for yourself

 C              D
She ll be gone soon You can
 G               C
have me for yourself
Am      D
But do give
G            C
Just give me today
    Am   D            G      C
Or you will just scare me away

What we built is bigger
Than the sum of two
What we built is bigger
Than the sum of two

But somewhere
I lost count of my own
And somehow
I must find it alone

24 and blooming like the fields of May
25 and yearning for a ticket out

Dreams burn
But in ashes are gold
Dreams burn
But in ashes are gold
```
