Song: The Apple Song
Artist: Calibretto 13
Album: Enter the Danger Brigade(Tooth & Nail, 2000)
Tab By: Steve Cox (Steco682@aol.com)

An actual acoustic song from this â€œacoustic punkâ€• band. This is a nifty little song that I thought Iâ€™d share with everyone. Enjoy.

Intro: **C#**(strum once)

Verse:(accapella w/ a really bad English accent)

If I were an apple, hanging on a tree,
Iâ€™d give myself to the first green worm,
And together we would be.
Heâ€™d make a little hole and live inside of me,
He would be my best friend,
And heâ€™d keep me company.

1,2,3,4
