Oh Sis-ters of Mer-cy they are not de-par-ted or gone
      Dm             Am           Dm          Am         F   Fsus4 F
They were wait-ing for me when I thought that I just cant go on

And they brought me their com-fort and later they brought me their song
   Bb           Eb                        F           Bb     Eb
Oh I hope you into them you who ve been trav-ling so long

G#/D Eb/A Bb7 Eb    G#/D Eb/Bb Bb7 Eb        Bb       F
```

Yes you who must leave everything
That you cannot control
It begins with your family,
but soon it comes round to your soul
Well I ve been where you re hanging
I think I can see how you re pinned
When you re not feeling holy
Your loneliness says that your ve sinned

They lay down beside me
I made my confession to them
They touched both my eyes
And I touched the dew on their hem
If your life is a leaf
That the seasons tear off and condemn
They will bind yoou with love
That is graceful and green as a stem

When I left they were sleeping
I hope you run into them soon
Dont turn on the lights
You can read their address by the moon
And you wont make me jealous
If I hear that they sweetened your night

```
Eb   F

          Bb            Eb
We werent lov-ers like that
       Bb                 F          Bb
And besides it would still be all right
