Meth Head
Better Off

[Verse]
```
                   C#m       A
I ve been walking back steps all alone
          C#m        E
Hoping to hide the smell of cigarette smoke in my clothes
C#m            A
You said it s  cool  that I was trying to breathe in
C#m  D#9    Em
 I suck in smoke. My hesitation will always win
```

[Chorus]
```
C#m                        B
I ve been looking for the back door
                        E              A
Running out Cause     everyone is sick
                C#m     B                            E
Everyone is sick of you and me trying to turn our blues to black
           A
We put the devil into everything
```

[Interlude]
```
C#m A C#m D#9  E
C#m A C#m D#9  E
```

[Verse]
```
                        C#m A
I ve been bleeding black blood all along
            C#m  D#9
Try to speak, watch me choke
E
Hold a knife to my throat
C#m A
Keeping secrets like our fathers taught us to
C#m D#9     E
  Pile up lies so I can lie in them with you
C#m                        B
I ve been looking for the back door
         E
Running out
                 A
Cause everyone is sick
            C#m          B                          E
Everyone is sick of you and me trying to turn our blues to black
           A
```

We put the devil into everything

[Bridge]
C#m A C#m A E C#m A C#m A E
I took my time Please unlock that door
C#m A C#m A E C#m A C#m A E
Well I took my time
C#m B
I m sorry, please unlock that door now

[Chorus]
C#m B
I ve been looking for the back door

Running out
E A
Cause everyone is sick
C#m B E
Everyone is sick of you and me trying to turn our blues to black
A
We put the devil into everything
