Just Cant Last
10000 Maniacs

Intro: **F C F C G**

Verso 1:
          F
Well I know I
G
Swear i know your face
Em
I wish I knew your name
F
I wish I could take you by the hand
F   **G**
If I could name it, if I could just explain it
Em
If I could only help you, help you understand

Verso 2:

F
Well I can
G
I can see that you re hurting
Em   **F**
Weighed down like a beast of burden about to break your back
G
God only knows that you re human
Em
So what are they trying to do then?
Em
Believe me, they don t understand

Pré-refrão:

C   **Am**
That you have the weight of the world today
Em   **G**
It s on your back
C   **Am**
A heavy load like that is gonna hold you back
F   **G**
It s gonna drag you down

Refrão:

F
You know it just can t last
C

```
It just can
G
You know it just can t last.

F
You know it just can t last
C
It just can
G
You know it just can t last.

Verso 3:

F
Well they thought they could use you
G                                    Em
Push you down and abuse you and what s so sad
F
Is you ve decided to hide all your feelings
G                                       Em
Got more pain than you can deal with but ask yourself, how can this last?

Pré-refrão:

C                                        Am
I know you have the weight of the world today
Em              G
It s on your back
C                                    Am
A heavy load like that is gonna hold you back
F                      G
It s gonna drag you down

Refrão:

F
You know it just can t last
C
It just can
G
You know it just can t last (4x)

Final:

F                         C
You know it just can t last
F
You know it just can t
C
It just can last
                        F
You know, you know, you know, you know
C
```

They don´t understand

F
You know that, they
C
They don´t understand
F
You know that they
C
They don´t understand

F
You know that, they
C
They don´t understand
