[Verse 1]
[Hamilton]
F#m **E**
Mister President, you asked to see me

[Washington]
F#m
I know you re busy

[Hamilton]
E
What do you need, sir? Sir?

[Washington]
F#m
I wanna give you a word of warning

[Hamilton]
Sir, I don t know what you heard
E
But whatever it is, Jefferson started it

[Washington]
D **C#**
Thomas Jefferson resigned this morning

[Hamilton]
N.C.
You re kidding

[Washington]
F#m **E**
I need a favor

[Hamilton]
Whatever you say, sir, Jefferson will pay for this behavior

[Washington]
F#m
Shh, talk less

[Hamilton]
I ll use the press
E **F#m**
I ll write under a pseudonym, you ll see what I can do to him

[Washington]
I need you to draft an address

[Hamilton]
    F#m
Yes, he resigned, you can finally speak your mind

[Washington]
   D   **C#**
No, he s stepping down so he can run for President

[Hamilton]
                                D
Ha, good luck defeating you, sir

[Washington]
                                          C#
I m stepping down, I m not running for President

[Hamilton]
N.C.
I m sorry, what

[Chorus]
[Washington]
A   **G**
One last time
  D   **E**
Relax, have a drink with me
A   **G**
One last time
             D   **E**
Let s take a break tonight
               A   **E**
And then we ll teach them how to say goodbye
   D
To say goodbye
E   **A** **E** **D**
You and I

[Hamilton]
No, sir, why

[Verse 2]
[Washington]
        F#m
I wanna talk about neutrality

[Hamilton]
                     E
Sir, with Britain and France on the verge of war, is this the best time

[Washington]

```
          F#m
I want to warn against partisan fighting

[Hamilton]
But-

[Washington]
E
Pick up a pen, start writing
        F#m
I wanna talk about what I have learned
             E
The hard won wisdom I have earned

[Hamilton]
              D
As far as the people are concerned
                       C#
You have to serve, you could continue to serve

[Chorus]
[Washington]

    A        G
No, one last time
    D           E
The people will hear from me
A        G
One last time
          D        E
And if we get this right
            A                E
We re gonna teach â€˜em how to say
      D
Goodbye
E       A E G
You and I

[Interlude]
[Hamilton]
       D
Mister President, they will say you re weak

[Washington]
   C                        D
No, they will see we re strong

[Hamilton]
Your position is so unique

[Washington]
        C
So I ll use it to move them along
```

[Hamilton]
D
Why do you have to say goodbye?

[Washington]
C **D**
If I say goodbye, the nation learns to move on
G **A#**
It outlives me when I m gone
C
Like the scripture says
C#m **E** **D** **A**
Everyone shall sit under their own vine and fig tree
E **F#m**
And no one shall make them afraid
E **D** **A E F#m**
They ll be safe in the nation we ve made
E **D** **A**
I wanna sit under my own vine and fig tree
E **F#m**
A moment alone in the shade
E **D**
At home in this nation we ve made
A
One last time

[Hamilton]
G A
One last time

[Break section]
[Washington and Hamilton]

D **A** **G**
Though, in reviewing the incidents of my administration
Gm
I am unconscious of intentional error
D **A**
I am nevertheless too sensible of my defects
G **Gm**
Not to think it probable that I may have committed many errors
D **A**
I shall also carry with me

The hope
G
That my country will
Gm
View them with indulgence

And that
D **A** **G** **Gm**
After forty five years of my life dedicated to its service with an upright zeal

```
    D                                                        A
The faults of incompetent abilities will be consigned to oblivion

As I myself must soon be to the mansions of rest
D                                       C
I anticipate with pleasing expectation that retreat
                                       D                                 C
In which I promise myself to realize the sweet enjoyment of partaking
                                            D
In the midst of my fellow citizens, the benign influence of good laws
        C                                                G
Under a free government, the ever-favourite object of my heart
       D             C
And the happy reward, as I trust
       G           A#                    C
Of our mutual cares, labors, and dangers
         D
One last time

[Outro]
[Company women]
                           C
George Washington s going home

[Hamilton]
                  D
Teach  em how to say goodbye

[Full company]
                           C
George Washington s going home

[Washington and company]
         D
You and I
                           C   G
George Washington s going home
      D
Going home
                           C   G
George Washington s going home
                 D
History has its eyes on you
                           C   G
George Washington s going home
            Bm
We re gonna teach  em how to say goodbye (teach  em how to say goodbye)
A
Teach  em how

To say goodbye
   G
To say goodbye (say goodbye)
```

Say goodbye (say goodbye)
A# D C G D
One last time

End on D
