VERSE

```
         C#                   G#
Your love is like a fountain
          F#                  G#
Ever flowing, ever clean
               C#                       G#
Washing me with new beginnings
         Ebm7     F#             G#sus4  G#
Ever faithful,       ever green
                 C#                                G#

2.    Keeps me humble down on my knees
                 F#                            G#
Keeps me grateful for what I see
              C#                        G#
Endless mercy, abundant grace
                   Ebm7          F#        G#sus4     C#        C#/E
Because of Your love      my life has changed
