[Verse]

```
E7               E7+9
I ve got a smile
     E7
That I put on
     E7
When I m not at home
                    E7+9
When I m not alone
E7                     E7+9
     But it is so hard
    E7
To make that smile
```

Because I know I ll be at home

And alone in a while

And if I look in a mirror

I see my eyes start to tear

I can t help but cry

Since you said goodbye

chorus

```

And things I valued so dear

Make me feel so blue

They all remind me of you
