Dont Make Me Dream About You
Chris Isaak

Chris Isaak - Don t Make Me Dream About You

(Intro: rock riff in A)

A
Don t make me dream about you,
don t make me dream about you.
Don t make me dream about you,
don t make me dream about you.

A
I dream in daytime and night time,
I dream of love or romance.
It won t be nice if they catch me,
But I can live with the chance.
          D
Because I love you, because I want you.
       A
I will win your love for me,
yeah I will win your love for me.

A
Looked so sweet when I met you,
now you re acting so bold.
Feels so hot when I kiss you,
and now you come on cold.
           D
And I still love you, I still want you.
           A
And I will win your love for me,
yeah I will win your love for me.

A   **D**
No, no, no.
A
Don t make me dream about you,
don t make me dream about you.

(Guitar solo: **A**, **D**, **A**

A
Took a chance when I met you,
I should of known I would lose.
I know it s wrong I should leave you,
you make it so hard to choose.
            D
And I still love you, I still want you.

```
           A
And I will win your love for me,
yeah I will win your love for me.

A                D
No, no, no.

A
Don t make me dream about you,
don t make me dream about you.
Don t make me dream.
don t make me dream.

(Guitar solo: A, D, A)
