Trouble Me
10000 Maniacs

```
Am   F7   C
          Trouble...
Am   F7   C

Am            F7  C
   Trouble me,   disturb me
      Am        F7      C
With all your cares   and your worries
Am           F7  C
   Trouble me
         Am          F7        C
On the days when you feel spent

F               C
  Why let your shoulders bend
Dm              G
Underneath this burden when my
F       G     C     Am
Back is sturdy   and strong
F  G
   Trouble me...

Am               F7  C
(ee) Speak to me,   don t mislead me
     Am     F7             C
The calm I feel means a storm is swelling
Am          F7  C
(Speak to me)   There s no telling
           Am        F7       C
Where it starts or how it ends

Am          F7  C
(Speak to me)   Why are you building
      Am            F7    C
This thick, brick wall   to defend me?
Am          F7  C
(Speak to me)   When your silence is
Am     F7        C
   My greatest fear

F               C
  Why let your shoulders bend
Dm              G
Underneath this burden when my
F       G     C     Am
Back is sturdy   and strong
F  G
```

```
     Speak to me...

Am        F7   C
(ee) Let me,   have a look
     Am            F7      C
In-side these eyes   while I m learning
Am        F7   C
   (Let me)   Please don t hide them
Am           F7        C
   Just be-cause of tears

Am       F7              C
   Let me, send you off to sleep with a
Am            F7               C
There, there now, stop your turning and tossing.
Am        F7   C
   (Let me)   Let me know where
      Am            F7      C
The hurt is and how to heal

G          Am
  Spare, spare me
      G         F
Don t spare me of... anything
Am         F7   C
   Troub-ling

Am   F7   C

Am           F7   C
   Trouble me,   disturb me
      Am          F7      C
With all your cares   and your worries
Am           F7   C
   Speak to me,   and let our words build a
Am           F7        C
   Shelter from the storm
Am       F7   C
   Let me,   and lastly let me
Am           F7      C
Know what I can mend

F               C
  There s more honestly
      Dm                G
Than my sweet friend, you can see
F       G         C       Am
Trust is what I m offer-ing
F         G         C
  If you ll trouble me...
```
