Rock 'N' Roll Music
Chuck Berry

```
B7

Just let me hear some of that...
Chorus:
E
Rock and roll music
E
Any old way you choose it
           A
It s got a back beat, you can t lose it
E
Any old time you use it
     B7
It s gotta be rock and roll music
                        E
If you wanna dance with me
B7                      E
If you wanna dance with me
                       B
I have no kick against modern jazz
B7                           E
  Unless you try to play it too darn fast
                       A
I lose the beauty of a melody
                             B7
Until it sounds just like a symphony
                 B7
That s why I go for that...
**Chorus
                       B
I took my love on over  cross the tracks
B7                           E
So she could hear a man a-wailin  sax
                       A
I must admit they had a rockin  band
                             B7
And they were blowin  like a hurrican
                 B7
That s why I go for that...
**Chorus
                       B
Way down south they gave a jubilee
B7                           E
And Georgia folks, they had a jamboree
                       A
They re drinkin  home brew from a wooden cup
                             B7
```

The folks dancin got all shook up
B7
And started playin that...
**Chorus
B
Don t get to hear em play a tango
B7 **E**
I m in no mood to take a mambo
A
It s way too early for the congo
B7
So keep on rockin that piano
B7
So I can hear some of that...
**Chorus

é disso que eu tô falando! Essência RocK!!
