I ll never forget the first day I met her

     E/C#                  B         A   B
That September morning was clear and fresh

E           E/C#       B            A  B
The way she spoke and laughed at my jokes

        E                  E/C#              B              A B
and the way she rubbed her dress against the edge of my desk

(same as first verse)
She became a magic mystery to me and we d
sit together in double history twice a week
and some days we d walk the same way home
and its surprising how quick a little rain can clear the streets

(chorus)
C#m                     B(*)   E5
I dreamed of her in my bed of dreams

C#m                      A(*)
but that was all that I ever tasted

C#m                      B(*) E5
she lied to me with her body you see
