Someday
Michael Learns to Rock

Someday, Michael Learns To Rock

Am F C G....
In my search for freedom, and peace of mind
I ve left the memories behind

D
Wanna start a new life, but it seems to be rather absurd
F G C
When I know the truth, is that I always think of you

C G Am F
Someday someway, together we will be baby
C Am G
I will take and you will take your time
C G Am F
We ll wait, for our fate , cos nobody owns us baby
C G C
We can shake we can shake the rock

Try to throw the picture out of my mind, try to leave the memories behind
Here by the ocean, wave s carry voices from you
Do you know the truth, I am thinking of you too

Chorus

Bb F/A
The love we had together, just fades away in time
Ab G
C
And now you ve got your own world, and I guess I ve got mine
Bb F/A
But the passion that you planted, in the middle of my heart
Ab G
Is the passion that will never stop

Chorus

Peace out
///Stef
