

With your eyes and your limbs so lifeless

Solo 4x: **Bbmaj7 Fmaj7**

Refrão:

**C** **Dm**  
Tell me something if the world is so insane  
**Am7** **F**  
Is it making you sane again to?  
**C** **Dm**  
Let another man tug at the thread  
**Am7** **F**  
That pulls up your nodding head?

Verso 3:

**Bbmaj7** **Fmaj7**  
How did they teach you to be  
**Bbmaj7** **Fmaj7**  
Just a happy puppet dancing on a string  
**Bbmaj7** **Fmaj7**  
How do you manage to speak  
**Bbmaj7** **F**  
Your mouth a frozen grin?  
  
**Bb** **F**  
A dullard strung on the wire  
**F** **Bb**  
When the master s gone, you hang there  
**Bb** **F**  
With your eyes and your limbs so lifeless

Final:

**C** **Dm**  
Your hollowed head, your marble eyes  
**Am7** **F**  
Your wooden hands and your metal jawpins  
**C** **Dm**  
All wait in limbo for the man  
**Am7** **C** **F**  
Who knows how to move you this way
