Confederate Railroad

[Verse 1]

```
G                    D                    G
Well I was raised a sophisticated kind of style
                                                        D
Yeah my taste in music & women drove my folks half wild
C                                 G             C
Mom & dad had a plan for me it was Debutantes & Cebanese
      G                 D             G
But I like my music & I like my women wild
```

        When they wear thier clothes too tight & thier hair is dyed
        C
        Too much lipstick & too much rouge
        G                       C
        gets me excited gets me feeling confused
               G                    D                    G
