This Suffering
Billy Talent

A great song by a great band. This is my second guitar tab. Please rate!!
This song sounds on its best when you play power chords and in drop d.

ps. Check out my chords for red flag

Intro: (Played on lead guitar)
If you want to play the intro I recomend version 3.

Verse:
Ebm **C#** (Then the final part of the intro)

Pre-Chorus:
Again I recomend version 3 of the this suffering tab

Chorus:
B
Everytime you try to
Ebm
Leave me blind you ll never
G#
Close my eyes, you ll never
F# **C#**(Strum once)
Close my eyes and watch me die

Thats the tab.
Still working on the chords for the bridge
