```
      C#
In a way I m glad it s over,
      F#                                      C#
even though it s gonna hurt me once you re gone

I can learn to live without you,
         F#                            C#
give me time and I can make it on my own

 C#     F#
Lovin  you to me came easy
                                          C#
Now losing you will change my life no doubt
         Fm7
And in a way I m glad it s over,
      Ebm7           G#7           C#
In another way it turns me inide out

In a way I guess it s better,
Even though there s nothing good about goodbye
And I know I couldn t hold you,
Now you ve found your wings and you need room to fly

And it s for sure I m gonna miss you,
But I guess that s what goodbye is all about
And in a way I m glad it s over,
But in another way it turns me inside out

Bridge:
C#      Fm                              F#
```

On the one hand I know I ll be better off once you re gone,
C# **G#7** **C#**
But I find a lot of heartache on the other
Fm **F#**
And I can t say I ll look forward to those nights I ll spend alone
C# **G#7** **C#**
And I wonder will there ever be another

C# **F#**
Loving you to me came easy,
C#
Now losing you will change my life no doubt
Fm7
And in a way I m glad it s over,
Ebm7 **G#7** **C#**
In another way it turns me inside out

C# **Fm7**
Yes in a way I m glad it s over,
Ebm7 **G#7** **C#**
But in another way it turns me inside out
