Torn
Natalie Imbruglia

[Intro]

F Bb F Gm

[Verse]

```
F                                  Am
I thought I saw a man brought to life
                                          Bb
He was warm, he came around like he was dignified

He showed me what it was to cry
F                                Am
Well you couldn t be that man I adored
                                                      Bb
You don t seem to know, seem to care, what your heart is for

But I don t know him anymore
```

[Pre-Chorus]

```
        Dm
There s nothing where he use to lie
C
My conversation has run dry
Am
That s what s going on...
C
Nothing s fine
    F
I m torn
```

[Chorus]

```
F              C                    Dm
I m all out of faith, this is how I feel
                  Bb                        F
I m cold and I am shamed, lying naked on the floor
               C                      Dm
Illusion never changed into something real
                  Bb                           F
I m wide awake and I can see the perfect sky is torn
                C                 Dm  C  Bb
You re a little late, I m already torn
```

[Verse]

```
F                                Am
So I guess the fortune teller s right
                                                        Bb
I should have seen just what was there and not some holy light

But you crawl beneath my veins and now
```

[Pre-Chorus]

```
  Dm
I don t care, I have no luck
C
I don t miss it all that much
Am
There s just so many things
C
That I can t touch
    F
I m torn
```

[Chorus]

```
F              C                    Dm
I m all out of faith, this is how I feel
                  Bb                        F
I m cold and I am shamed, lying naked on the floor
               C                      Dm
Illusion never changed into something real
                   Bb                          F
I m wide awake and I can see the perfect sky is torn
                C                  Dm  C  Bb
You re a little late, I m already torn

                   Bb                              F
I m cold and I am shamed, bound and broken on the floor

You re a little late, I m already torn
