Way up on the old dew line
(comin apart at every nail)
Some of the boys were feelin  fine
(comin apart at every nail)
A big light flashed across the sky
(comin apart at every nail)
But somethin  else went slippin  by
(comin apart at every nail)
Meanwhile at the Pentagon
(comin apart at every nail)
The brass was a wonderin  what went wrong
(comin apart at every nail)

Oh this country sure looks good to me
But these fences are comin  apart at every nail
Hey, hey ain t that right
The workin  man s in for a hell of a fight
Oh this country sure looks good to me
