```
F#                    E*                 F#                      E*
 I ve been awake ten thousand times and still I look in the mirror
F#              E*     F#                     E*
 What do I see? An owl trying to fly in the light of day
F#                  E*        F#           E*
 Unaware of what s in my way, I can only find my place
       F#                 E*                  F#
And I hope I m wrong, I hope I m wrong, wrong
```

E* F#m E* F#m (fill 1 played over **F#m**)

D **Bm**
I said, I said, I said, I said, I said, I said, I said, yeah

F#m **C#m** **B** **F#m**
Oh here they come destroying my youth and the other side s the same
C#m **B** **F#m**
When the rain pours their colors showed through, and the new remained

E* F# E* F# E*

F# **E*** **F#** **E***
I ve been asleep for most of my life and still it looks familiar
F# **E*** **F#** **E***
The people I meet are callous, taking life in another way
F# **E*** **F#** **E***
Contrived in the words they say, keeping time with the wolves at play
F# **E*** **F#**
And I hope I m wrong, I hope I m wrong, wrong

E* F#m E* F#m (fill 1 played over **F#m**)

D **Bm**
I said, I said, I said, I said, I said, I said, I said, yeah

F#m **C#m** **B** **F#m**
Oh here they come destroying my youth and the other side s the same
C#m **B** **F#m**
When the rain pours their colors showed through, and the new remained
C#m **B**
They will pay for all the times we ve come through
F#m
In the eyes of hate

F#m **C#m B**
When will I make it?
F#m **C#m B**
Is the world worth taking?
F#m **C#m B F#m**
Oh when will I make it?

E* F#m E* F#m (fill 1 played over **F#m**)

D **Bm**
I said, I said, I said, I said, I said, I said, I said, yeah

F#m **C#m** **B** **F#m**
Oh here they come destroying my youth and the other side s the same
C#m **B** **F#m**
When the rain pours their colors showed through, and the new remained

```
                  C#m                          B
They will pay for all the times we ve come through
                F#m
In the eyes of hate
                       C#m B
Ah, when will I make it?
F#m                      C#m B
 Ah, when will I make it?
         F#m            C#m
I m not another, no no
```
