Homefires (Neil Young)
---

[Intro]
**F# E9 B** (**E9**: xx3213 / **B**: x32013)

```
F#           E9         B            F#
I m not the same man I was a while ago
                   E9            B            F#
 I ve learned some new things, I hope that it shows
 Ebm           Bbm               G#m                       C#
 I m free to give my love, but you re not the one I m thinking of
 G#m             C#                   G#m             C#             E9   F#
 So for me, the wheels are turning, gotta keep the homefires burning

I walk these borders in search of a line
Between young lovers who live separate lives
How long can this go on? I can hear another song
Late at night when I ve been drinking, substitute comes at me blinking
```
