Homefires (Neil Young)

[Intro]
A G9 D (**G9**: xx3213 / **D**: x32013)

```
A           G9         D            A
I m not the same man I was a while ago
                   G9            D            A
 I ve learned some new things, I hope that it shows
 F#m           C#m               Bm                      E
 I m free to give my love, but you re not the one I m thinking of
 Bm             E                   Bm             E             G9   A
 So for me, the wheels are turning, gotta keep the homefires burning

I walk these borders in search of a line
Between young lovers who live separate lives
How long can this go on? I can hear another song
Late at night when I ve been drinking, substitute comes at me blinking
```
