Capo 1

```
e |-------------------------------------------------|
B |-----------------------0-------------------------0-|
G |---2---0-------2---0--------2---0-------2---0-----|
D |-0---0---0-4-0---0---0----0---0---0-4-0---0---0---|
A |-------------------------------------------------|
E |-------------------------------------------------|

   -------------------------------------------------|
   -------------------------------------------------|
   ---0-----------0-------0----0-----------0-------0-|
   -------4---2-------4------------4---2-------4-----|
   -3---3---3---3---3---3----3---3---3---3---3---3---|
   -------------------------------------------------|
```

Repeat throughout song.

A different but more difficult
fingering of the first half is:

```
e |-------------------------------------------------|
B |-----------------------0-------------------------0-|
G |---2---0-------2---0--------2---0-------2---0-----|
D |-----------4-------------------------4-------------|
A |-5---5---5---5---5---5----5---5---5---5---5---5---|
E |-------------------------------------------------|
```

...which sounds slightly better as
it leaves one more note ringing.
