Primeira Parte:

```
Fm9                 G#9
    When I m all alone
                      Eb
And no one else is there
Waiting by the phone
                         Fm9
To remind me I m still here
                           G#9
When shadows paint the scenes
                           Eb
Where spotlights use to fall
And I m left wondering
Is it really worth it all?
```
