SILVER AND GOLD- Neil Young

```
F             C
Working hard every day
Bb
Never notice how the time slips away
F            C
People come, seasons go
Bb
We got something that will never grow old

CHORUS:
F         Bb          F          Bb
I don t care if the sun don t shine
          F           Bb             F       Bb
And the rain keeps falling down on my and mine
     F           Gm    Am    Gm           C  Csus4  C
Cos our kind of love, never seems to get old
(N.Bb.)            F         Bb    F  Bb  F  Bb  C
It s better than silver and gold

I used to have a treasure chest
Got so heavy that I had to rest
I let it slip away from me
Didn t need it anyway, so I let it slip away

CHORUS TWICE

                  F          Bb   F  Bb
It s better than silver and gold
                  F          Bb   F  Bb
It s better than silver and gold
                  F          Bb   F  Bb  F
It s better than silver and gold

I play it this way:
(I also usually keep my guitar tuned down a step,
so it may be equivalent to what Steve has down,
I didn t really check before replacing the chords...)
