Verso 1:

```
D                       A                D
Early in the evenin    just about supper time,  over by the courthouse,
        A              D    G                        D
they re starting to unwind, four kids on the corner,  trying to bring you up,
                                A               D
Willy picks a tune out and he blows it on the harp.

Down on the corner,  out in the street,  Willy and the Poorboys are playin
          A               D
bring a nickel,  tap your feet.
```

Verso 2:

```
D                                A                 D

Verso 3:

```
D                        A               D
You don t need a penny just to hang around,  but if you got a nickel won t
     A             D      G                    D
you lay your money down.  Over on the corner, there s a happy noise,
                                  A               D
people come from all around to watch the magic boy.
