Shot Down
Nine Black Alps

V1
F A F A F A D----------E
Funny how they...could have lived yeah...funny how they really live
E G# E G# E G# C#
Drag you down and pull you in and tell you nice you ll never win

G#

V2
Pretty good at,letting go it s the, only place you ll ever go,
Prison doors sound like, wedding bells as you, ask for change at the wishing well

pre chorus1
C# G#
I don t like this place, I don t like what it s become
C# E
You can hide your face, you can always hide your guns

Chorus 1
B G#M
Shot down, spun round, strung out
E B C# D Eb E
Still around somehow

solo play verse chords throughout

pre chorus1
In the human race, there s a space for everyone
You can save yourself, you can always kill your sons,

chorus 2
shot down, spun
round, strung out
A to finish robert loustau with thanks to lizzie wilson
Still around somehow
