Aint Never Gonna Give You Up
Paula Abdul

This is my first tab .. I m very sorry if I made mistakes.

Capo : 3rd fret .

whole song : **C** and **F**

C **F** **C**
Well there s not a bit of truth in what you hear
C **F** **C** .. (and you get the point).
Just a whole lot of jealousy out there smearin
My good name all over the place
Just to get you thinkin that I m -- two faced

But I would never go south
I was never dreamin of anybody else
You re the only one I d ever be with
I got a whole lot to say but babe the truth is

Ain t never gonna give you up
Ain t never gonna let you down babe
Ain t never gonna give you up
Hey hey hey hey
Yea yea yea
Ain t never gonna give you up
Yea yea yea
Ain t never gonna let you down

I wanna be right there for you so don t
Believe another word cause all of these low --
girls
Only wanna put the split between us
They keep getting off on all -- the fuss

But I will always treat you
Just the way I always promised I d do
You re the only one I d ever be with
I got a whole lot to say but babe the truth is

[Chorus]

Baby don t you know that I want to be with you

[Chorus]
