I m really close tonight

I ll be there when you  call

[Bridge]

               D                   A
The finger of  blame has turned up on itself
        Bm                   G
And I m more than willing to offer myself
       D                   A
Do you want my presence or need my help
Bm                         G
Who knows where that might lead
  D     A       Bm      G
I fall  at your feet
                 D      A            Bm   G
And you let your tears  rain down on me
           D    A       Bm
Whenever I fall at your feet
