```
E               Amaj7
You know what I miss
E      Amaj7
Small things like textures and flavors
E                Amaj7
How close to her they use to feel
          C#m               B      A
Till this distance came in our lives
C#m  C#m add F# C#m      B    D
Distance     came in our lives
A                          B
Always happens when you re trying to  get next to somone
     F#                       G
When you want to reach   her heart
E           Amaj7
You can not close enough
E        Amaj7
To start talking
E                 Amaj7
Talking straight to one another

C#m  B  A   C#m B D

E        Amaj7
Do you remember
E                                   Amaj7
The things you use to write  on the dashboard in the dust
E               Amaj7
And they way we never  never
E                 Amaj7
We never thought this  car would  rust
          C#m               B      A
Till this distance came in our lives
C#m  C#m add F# C#m      B    D
