Long Journey
Sarah Jarosz

Sarah Jarosz is the new face of bluegrass...Absolutely amazing artist, as you already know if you ve searched for these chords. :)
These chords sound pretty close to the audio recording, but may not be 100% accurate.

Capo 5

Chords: **F**, **Bbadd9**, **Dm**, **C/F#**

You will want to keep your pinkie and ring finger on these two strings the whole time, as so:

```
e--3----|
B--3----|
G-------|
D-------|
A-------|
E-------|
```

I m sure everyone knows how to play a G and Em by now (except you will keep your pinkie and ring finger down while playing the em with your middle and pointer fingers) so I ll just provide chord diagrams for the two lesser-known chords:

C/F# chord:

```
e--3---- (Little Finger--!)
B--3---- (Ring Finger----!)
G--2---- (Middle Finger--!)
D-----------------------!)
A-----------------------!)
E--2---- (Index Finger---!)
```

Bbadd9 or **Bb9**:

```
e--3----|
B--3----|
G-------|
D--2----|
A--3----|
E-------|
```

[**F**] [**Bbadd9**]
I have just begun
[**F**] [**Bbadd9**]
A long journey that will run

```
[F]                            [Bbadd9]
The length and width of summer time
        [Dm]      [C/F#]            [Bbadd9]
And the cool fall air will guide me home
        [Dm]      [C/F#]            [Bbadd9]
Yea the cool fall air will blow me home

[F]                [Bbadd9]
You ll be miles away
I want to go, but I wanna stay
The music beggin  me to go
         [Dm]      [C/F#]    [Bbadd9]
But your love can guide me home
Yea your love can guide me home

[F]                      [Bbadd9]
Stary nights and summer sun
I think you just might be the one
With this mountain pass keep runnin  on
       [Dm]          [C/F#]            [Bbadd9]
And I wonder if your love and guide me home
Oh yea I wonder if your love can guide me home

[F]             [Bbadd9]
I have just begun
A long journey that will run
The length and width of summer time
        [Dm]       [C/F#]          [Bbadd9]
And the cool fall air will blow me home
Oh love can guide me home
Oh yea, I wonder if your love can guide me home
```
