```
 C                          Dm
Why should I fear man when You made the heavens.
 F                           C                    G
Why should I be afraid when You put the stars in place.
 C                              Dm
Why should I lose heart when I know how great You are.
 F                               C                G
Why should I give up when Your plans are full of love.
