I suffered the blame

I would show to you this way
            F#                  B
But I m too late
Ebm                       B
   When the sorrow, it breaks them

I will replace them

Laid at the grave to heal a broken heart
        B        F#
Let it rain until it floods

Let the sun breathe life once more

With a radiance
                 F#                C#
Of pure and holy name
Ebm                       B

I will replace them

For you
