C **F** **C**
It s Canada Day up Canada Way on the first day of July.

And we re shouting hooray up Canada Way when the maple leaf flies high.

Where the silver jets from East to West are streaming through our skies.

We ll be shouting hooray up Canada Way when the great parade goes by.

[Chorus]

Oh Canada, standing tall together,
C **F** **C**
We ll raise our hands and hail our flag
F **G7** **C**
The maple leaf forever.

[Verse 2]
It s Canada Day up Canada Way on the coast of Labrador.
And we re shouting hooray up Canada Way on the white Pacific shore.
People everywhere have a song to share on Canada s holiday.
From Pelee Island to the sunny south to the North Pole far away.

Chorus...

[Verse 3]
It s Canada Day up Canada Way on the long cold winters done.
And we re shouting hooray up Canada Way for the great days yet to come.
Where maple trees grow maple leaves when the Northern sun is high.
We re Canadians and we re born again on the first day of July.

Chorus...

[Verse 4]
It s Canada Day up Canada Way from the lakes to the prairies wide.
And we re shouting hooray up Canada Way on the St. Lawrence river side.
People everywhere have a song to share on Canada s holiday.
From Pelee Island to the sunny south to the North Pole far away.

Chorus...
