Just Another Neon Night
Brooks & Dunn

```
      A                     E
I m a cold one down at the end of the day
         D
A little sundown buzz and more on the way
          A                      E
I wash a week s worth of dust off my old truck
              D
While Bobby Earl runs home to get dressed up
A                          E
Here comes clifford, gotta forty in a brown bag
       D
In his pointed toe boots and a hat band rebel flag
              A                 E
He s got an Eastwood grin and a too early swagger
          D                             E
Hollerin  turn off that rap boys, and play me some Haggard

(Chorus)
A                        E
Gettingâ€™ drunk, gettingâ€™ loud
                             D
Billy throws a punch in the crowd
Some cowboy s lights got out
A                     E
Runnin  wild, getting high
                           D
Smokin  tires through the lights
Livin  like weâ€™re never gonna die
                                       A
It s just another, just another neon night

They got Ricky and the Redstreaks playin  down the road
Oh, itâ€™s all night ladies night at the Cotton-Eyed Joe
JC always gets the girl, Billy s always fighting
Poor old Bobby Earl never gets the right one

(Chorus 2X)
