Capo 5

Em C D G C G

```
Em         C                     D
All I ever wanted was someone to care for me
Bm                    C
Someone to always be there for me
D                            G
Right through the good and bad
 G                                          D,.
I spent a long time hoping that just one time|.
Bm                            Cia
A portion of love I would find
Em                                       D
Then you came along and gave me so much more

G                    D
Above and beyond my needs
Em                   Bm
Your love has carried me
            C               D                  G
When I was not strong enough to make it on my own
                         D
Your love has calmed my fears
Em                    Bm
I know you re always near
C                                 D
Only a love so strong could come from
G
Above and beyond

Em             C                      D
Just a cup of water was all that I needed
Bm                            C
All alone in my darkness I pleaded
D                         G
For someone to answer my call
 G                                  D
Then your love washed away all the pain
 Bm                       C
The moment I called out your name
Em                                         D
You filled up my heart and I won t be the same
