Emotion
Destiny's Child

```
     B                  G#m                       Ebm
Its over and done but the heart ache lives on inside
     B                                  G#m           Ebm
But who is the one your clinging to instead of me tonight

Bridge:
B              F#
where are you now
            B
now that I need you
              F#
tears on my pillow
                B
where ever you go
             F#
I cry me a river
                     B
that leads to your ocean
           G#m
you never fall apart
F#
with the words of a broken heart

Chorus:
           G#m                Ebm
Its just emotions taking me over
              G#m                    Ebm
caught up in sorrow, lost in your soul
                 G#m
But if you dont come back
 Ebm
come home to me darling
G#m
Dont you know theres
F#
nobody left in this world
B
hold me tight
F#
nobody left in this world
B
kiss goodnight

F#
good night
B
good night
```

B **G#m** **Ebm**
