[INTRO]

G#m

[CHORUS]

```
                F#       C#          G#m
It feels like I only go backwards, baby
              F#       C#   G#m
Every part of me says go ahead
                   F#       C#   G#m
I got my hopes up again oh no, not again
              F#       C#         G#m
Feels like we only go backwards darlin
```

[VERSE 1]

```
Ebm                                                        C#
I know that you think you sound silly when you call my name
                                     Ebm
But I hear it inside my head all day
                                                           G#m
But then I realize I m just holding on to the hope that maybe
                    G#m
Your feelings don t show
```

[CHORUS]

```
                F#       C#          G#m
It feels like I only go backwards, baby
              F#       C#   G#m
Every part of me says go ahead
                   F#        C#  G#m
I got my hopes up again, oh no not again
              F#       C#         G#m
Feels like we only go backwards darlin
```

[VERSE 2]

```
    Ebm                                C#
The seed of all this indecision isn t me, oh no
Cause I decided long ago
    Ebm                                                                G#m
But that s the way it seems to go, when trying so hard to get to something real
   G#m
It feels

[CHORUS]

                F#       C#          G#m
It feels like I only go backwards, darlin
              F#       C#   G#m
Every part of me says go ahead
                   F#        C#  G#m
I got my hopes up again, oh no not again
              F#       C#         G#m
Feels like we only go backwards darlin
