Aloha Hello Aloha Goodbye by Bruda Doug
Transcribed by: Jason Guillory

Timing: 3/4

Verse
```
  F#           B/G  C#   C#
A bothersome, busy day,
     F#               B/G       C#   C#
when words are, just too far away.
   F#            B/G    C#      C#
My dreams carry me, to Nanakuli,
 F#            B/G         C#   C#
asleep in the bed we both made.
```

CHORUS
```
  B2      B2       F#          C#
I miss....those....warm sunny days
     B2         B2                F#          C#
when you....and me....were at the beach everyday
    Ebm                  C#
the sand in our toes and both of us know: we ll re-
B2       C#        F#
turn the following day
```

VERSE
```
F#           B/G      C#   C#
Drinking is only one way,
     F#        B/G      C#   C#
to escape the existing day.
             F#           B/G       C#   C#
But when the bottle runs dry, it s still you and I and to-
F#         B/G    C#   C#
morrow is on the way
```
[CHORUS]

BRIDGE
```
  F#                   B/G
I ll sing to you everyday,
    Ebm                 C#
the sun comes up, on a warm mornin in.
    F#                      B/G
I m watchin  your eyes, as I play tonight, and to-
Ebm               C#
morrow is on the way
```

VERSE

F# **B/G** **C#** **C#**
These words are my way to say:
F# **B/G** **C#** **C#**
I love you more with each day.
F# **B/G** **C#** **C#**
Stand silently still, I know how you feel, cause
F# **B/G** **C#** **C#**
darlin , I feel the same
[CHORUS X2]
