the answer staring back at me

I m the one who swore she would stay
right up till the moment the U-haul drove away
they didn t leave a table, they didn t leave a chair
but she knew what she was doing when she left you hanging there

[Chorus]
A **A7**
Mirror mirror, on my wall
D7 **A**
tell me who is the loneliest fool of all
A **A** **C#m F#m**
now wait a minute, I believe I see
A **E7** **A**
the answer staring back at me

```
    A                    A     C#m F#m
now wait one minute, I believe I  see
    A              E7      A
the answer staring back at me
```
