There was no chords for this song on here so I thought I should add some! I absolutely love this song :)

Capo 2

```
A                       E
We have blamed all the movies and songs
    F#m               D
For feeding us lies about what love was
A                        E
And so I m cynical in my awkward approach
   F#m                                D
In making you feel beautiful though I know you won t

        Bm                     D
I go to crazy extents just to be the guy
    A                            E
Who sees you first thing when he opens his eyes
    Bm                          D                  A
And radio and screen will back down for one man s dream
                 E
As he tells you finally
Bm              D
You are whatever love is to me

A                                E
Don t shy away  cause there s no concrete plans
    F#m                               D
And plans are for those who live as safe as they can
A                          E
And so I m different in my sudden approach
   F#m                             D
In asking you to marry me though I know you won t

        Bm                     D
I go to crazy extents just to be the guy
    A                            E
Who sees you first thing when he opens his eyes
    Bm                          D                  A
And radio and screen will back down for one man s dream
                 E
As he tells you finally
Bm              D
You are whatever love is to me

A        E
La la la la
```

```
            F#m
Love is to me
         D
La la la la
            A
Love is to me
         E
La la la la
          F#m    D
Love is to me

        Bm                     D
I go to crazy extents just to be the guy
    A                             E
Who sees you first thing when he opens his eyes
    Bm                          D                   A
And radio and screen will back down for one man s dream
                 E
As he tells you finally
Bm              D
You are whatever love is to me
